PART III ADMINISTRATION

Assessor

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in reserve lands.

PART IV ASSESSED VALUE

Assessment and Valuation Generally

5.(1) The assessor must assess all interests in reserve lands

(a) that are subject to taxation under the Taxation Law, including interests that would be non-assessable under provincial laws; and

(b) for which payments-in-lieu may be accepted by Council.

(2) The assessor must determine the assessed value of an interest in reserve lands and must enter the assessed value of the interest in the assessment roll.

(3) The assessor must assess each interest in reserve lands at its market value, such value being the amount which, in the opinion of the assessor, would be paid if it were sold on the base date in the open market by a willing seller to a willing buyer as if the interest were held in fee simple off the reserve.

(4) In forming his or her opinion under subsection (3), the assessor must have regard to the assessment of other interests in reserve lands to ensure that taxation falls in a uniform manner upon all residential and resource property, and in a uniform manner upon all commercial property in the reserve.

(5) Notwithstanding subsections (3) and (4), the assessment of an interest in reserve lands must reflect the state of the interest as it existed on the first day of December immediately preceding the filing of the assessment roll.

(6) Except as provided in this Law, the assessor must make no reduction in the assessed value of an interest in reserve lands property merely because the interest is subject to any lien, mortgage, lease, claim, licence or other encumbrance.

(7) Where there is an easement or right-of-way appurtenant to any interest in reserve lands, the

assessment of the dominant tenement must be increased by the added value that in the opinion of the assessor it receives from the easement or right-of-way and the assessment of the servient tenement must be reduced by the amount that in the opinion of the assessor the value has lost because of the easement or right-of-way.

(8) An interest in reserve lands in which there exists any life or similar tenancy or estate, arising otherwise than by a lease, must be assessed to the life tenant or person entitled to possession as if that person were the owner in fee simple off the reserve, but if the remainderman, or all the remaindermen if there are more than one (1), request the assessor in writing to do so, the interest may thereafter be assessed to the remainderman or remaindermen as if that person or persons were the owner in fee simple off the reserve.

(9) Whenever two (2) or more persons are the holders of any interest in reserve lands, the names of each of them, or of so many of them as can be ascertained by diligent inquiry, must be entered on the assessment roll and the assessment may be apportioned among them to the best of the assessor's judgment or the interest may be assessed as a unit to all of the holders known to the assessor.

(10) Where the holder of any interest in reserve lands is unknown to the assessor, the interest shall be duly assessed if entered on the assessment roll in the name of "holder unknown".

(11) When the assessor believes that the holder formerly assessed is deceased, the assessor may assess interest in reserve lands in the name of the "Estate of _____ (giving name of deceased former holder), deceased".

(12) An interest in reserve lands under the control of a person as executor, administrator, trustee, guardian or agent may be assessed in that person's name in his or her representative capacity, and the assessment and any subsequent proceedings must be kept separate and distinct from those based on assessment of the interest held by that person in his or her own right.

(13) Where an interest in reserve lands referred to in subsection (12) is under the control of more than one (1) person, the assessor is not required to serve all of them with an Assessment Notice or any other notice required to be given, but notice given to any one of them is deemed to be notice given to all of them.

(14) The assessor must assess an interest in reserve lands that is non-assessable under provincial legislation and must not apply any exemptions from taxation provided for in provincial legislation and standards.

(15) Except as otherwise provided in this Law, for the purposes of assessing interests in reserve lands the assessor must use

- (a) the valuation methods, standards, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and
- (b) the assessment rules, practices and guidelines used by assessors in the Province for conducting assessments off the reserve.

Assessment and Valuation - Specific Rules

6.(1) Where in determining the assessment of a hotel or motel it is necessary to determine the value of the personal property used in the operation of the hotel or motel, the personal property is deemed to have a value equal to fifteen percent (15%) of the value of the hotel or motel.

(2) For greater certainty, nothing in subsection (1) shall be construed to mean that personal property used in respect of the operation of a hotel or motel is assessable property.

(3) In calculating the acreage of forest property, the assessor must include, as forest property held by a person, any forest property held by that person either in his or her own name or in the name of another, be it by trust, a corporation in which that person owns a majority of the voting shares, a subsidiary wholly owned corporation, a subsidiary controlled corporation or otherwise.

(4) The assessor must assess a pipeline in the name of its owner as a separate assessment from the land

on, in, under, along or across which it is located, and a pipeline must be assessed notwithstanding that it is located on, in, under, along or across lands exempt from taxation or lands that are non-assessable under provincial legislation.

(5) Notwithstanding subsection 5(3), a pipeline market value for assessment purposes may be calculated as follows:

(a) the assessed value of a pipeline is the base cost for each pipe or class of pipe in the pipeline prescribed by provincial regulations less depreciation in the pipeline determined in accordance with the depreciation rate prescribed by such regulations; and

(b) the depreciation of a pipeline that is relocated continues as if the pipeline were not relocated.

(6) The assessor must assess poles and lines in the name of their owner as a separate assessment from the land on, in, under, along or across which it is located, and poles and lines must be assessed notwithstanding that they are located on, in, under, along or across lands exempt from taxation or lands that are non-assessable under provincial legislation.

Property Classes

7.(1) Council hereby establishes the property classes of residential property, commercial property and resource property for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(2) When preparing an assessment of an interest in reserve lands, the assessor must designate each interest as being residential property, commercial property or resource property, or partly one and partly another.

(3) In designating a property class to each interest in reserve lands, the assessor must use the provincial classification rules for each property class.

(4) Where an interest in reserve lands is in part one of, and in part another one, or more of, residential property, commercial property or resource property, the assessor must enter on the assessment roll the value of each such part.

(5) Notwithstanding any other section of this Law, the assessor must classify a bed and breakfast establishment as residential property.

(6) The assessor must classify farm property as resource property.

(7) The assessor must classify forest property as resource property.

PART V

Requests for Information

8.(1) The assessor may, for any purpose related to the administration of this Law, deliver a Request for Information containing the information set out in Schedule I, to a holder, a person who has disposed of assessable property, or any other person that in the reasonable opinion of the assessor may have information to assist the assessor in the administration of this Law.

(2) A person to whom a request has been delivered under subsection (1) must provide the assessor all reasonable assistance and must provide the information requested by answering and completing the request with a true statement of the particulars requested by the assessor, and must sign and return the information to the assessor within thirty (30) days from the date of delivery, or a longer period as specified in the notice.

(3) Information received under subsection (2) does not bind the assessor nor excuse the assessor from making due inquiry to ascertain its correctness, and notwithstanding such information the assessor may assess any interest in reserve lands at such assessment as the assessor believes to be just and correct, or may

omit from the assessment roll a person's name or any interest which that person claims to own if the assessor believes the person is not liable to be placed on the roll or to be assessed for such an interest.

Inspections

9.(1) The assessor may, at all reasonable times enter upon and inspect any lands or premises, or any property on such lands and premises, for the purposes of making an assessment.

(2) Every person must give to the assessor all necessary information requested by him or her for the purposes of enabling the assessor to properly assess the interest in reserve lands of that person.

(3) As part of an inspection under this section, the assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals respecting the assessable property and the occupant must, on request, furnish every facility and assistance required for the entry and examination.

PART VI ASSESSMENT ROLL AND ASSESSMENT NOTICE

Validity of Assessment Roll

13. An assessment roll is effective on certification and, unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

- (a) specifying the purpose for which the information is to be used; and
- (b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

15.(1) On application by a holder, the tax administrator may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the tax administrator's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the tax administrator omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 14(1) or are otherwise accessible to the public.

Chargeholders

16.(1) Any person holding a financial charge on assessable property may, at any time, give notice, with full particulars and evidence of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor, on being satisfied with the evidence provided respecting the charge, must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

(2) If a person who is assessed in the assessment roll dies either before or after the completion of the assessment roll, the assessor may mail the Assessment Notice to the deceased's executors or administrators or one of them and if no executor or administrator has been appointed, or if they are not known to the assessor, the assessor may mail the notice to a person whom the assessor believes to have an interest in the assessable property, or it may be posted on the assessable property.

(3) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice will be deemed to have been delivered on the date that the e-mail is sent by the assessor.

(4) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(5) Any number of interests in reserve lands assessed in the name of the same holder may be included in one Assessment Notice.

(6) Subject to subsection 14(2) and subsection (7), the assessor must provide, to any person who requests it and pays the fee of forty-five dollars (\$45.00), the information contained in the current Assessment Notice.
